

Turnaround Strategies For the Local Church

Is a coaching group designed for *pastors who are seeking new life and direction* for the church where they serve. This coaching group will be valuable to pastors of churches that are plateaued, stagnant, inwardly focus, and or in decline. The course is designed to provide an understanding of the basic underlying factors that not only determine if a church will be healthy and grow, but will also lay a foundation that can be applied in order to lead a turnaround of an established church.

The 8 topics covered in the monthly sessions are:

1. Understanding the Life Cycle of the church - **October 14**
2. Mission, Vision and Core Values - **November 11**
3. The Four Quadrants of Change-Maxwell on change - **December 9**
4. What is Church health and what do healthy churches look like?
- **January 13**
5. Understanding and Activating the passive church - **February 10**
6. How to become an Outward focused Church - **March 9**
7. Mobilizing the church for mission and ministry - **April 13**
8. Faith, Prayer, and initiating leadership - **May 25**

Cost (includes all books) - \$475 if paid in advance or \$70 per month

Semesters run for 8 months, the first semester beginning in October 2011

Scholarships are available by contacting MEG Board Chairperson

Scholarship applications can be downloaded at www.nerfmc.com

*All accepted participants are expected to pay for the full semester **even if they miss a session**. Pastors from **any** church or denomination are welcome.*

In order to be eligible, you must:

1. Be the pastor of a church with a strong desire and commitment to personal growth.
2. Agree to attend **all eight** of the coaching sessions (unless arrangements are made ahead of time) on the listed dates:

3. Be willing to coach and assist other pastors in the future if called upon.
4. Read the book for each monthly topic and write up top three things you learned from your reading. Cost of books is included in registration fee.
